# SUMMER 2011

Market Street UMC has an excellent ministry for youth and their families. Here is a guide to this month's activities.

## IMPACT Richmond

The youth and their leaders had a fantastic time rebuilding houses and forming new relationships. Thanks to Market Street for all your support of our young people. The youth look forward to sharing in worship soon about their experience.

**Summer Meal Program/Hangout Day**  
*The summer meal program, run by the Salvation Army, is a program to make sure that kids, especially those who received free or reduced school lunches, have good food to eat in the summer.* Market Street Youth will be volunteering at Frederick Douglas Park on July 28 and August 18. We will meet at the church at 11:15pm, serve the already-prepared meal, and head back to the church in the church bus for fun and fellowship. Pickup at 3:00pm.

**YOUTH MISSION DAY!!**  
**August 1st from 10am-2pm**  
(lunch provided)

Come out for 4 hours to help with a service projects because we were "Made to Make a Difference!"

### PLANS TO GLEAN!!!

**First of all, what is gleaning??** *Gleaning is the Biblical practice of gathering crops that would otherwise be wasted after a harvest, so that they can be shared with the hungry.*

Gleaning times are usually communicated on short notice, so look for text invites and make plans to come out and pick fruit or vegetables to help others.

We plan to have a group participate in both days of music and camp Friday and Saturday nights. It should be a fun weekend of Christian music, an exceptional speaker, and fellowship. Please look for more details and the sign up sheet in the youth room.

### Church School Sun. 9:45 - 10:45 AM

All summer long we are learning about God and how God can be a part of our everyday living!
